Submitting an application through the eVS web portal: step-by-step guide // Undergraduate study program: International Logistics Management

The enrolment application for studying at public and private higher education institutions in Slovenia (faculties, professional colleges, academies) must be submitted online via the web portal eVŠ for all undergraduate and postgraduate study programmes. Filling in the enrolment application is carried out in several steps. Once a candidate successfully submits the electronic enrolment application, he receives a confirmation email at the email address indicated in the application.
